An aerial photograph of the coastal town of Šibenik and Knin in Croatia. The foreground shows a dense cluster of buildings with red-tiled roofs. In the middle ground, a large body of water, likely the Zrinski Channel, stretches across the frame. The background features rolling hills under a bright, slightly overcast sky. The text is overlaid on the image in a yellow-green color.

Epidemiological control measures in the county of Šibenik and Knin

Suzi Vataavuk, m.d.
